QUILT CONSTRUCTION

- 1** Sew 1-2½" x WOF Jelly Roll™ strip and 1-5½" x WOF Background strip together. Press away from the Background. Cut into 17-2½" wide units. Label the stack. Repeat the remaining 23 Jelly Roll™ strips. You will now have 24 stacks that each have 17 units.

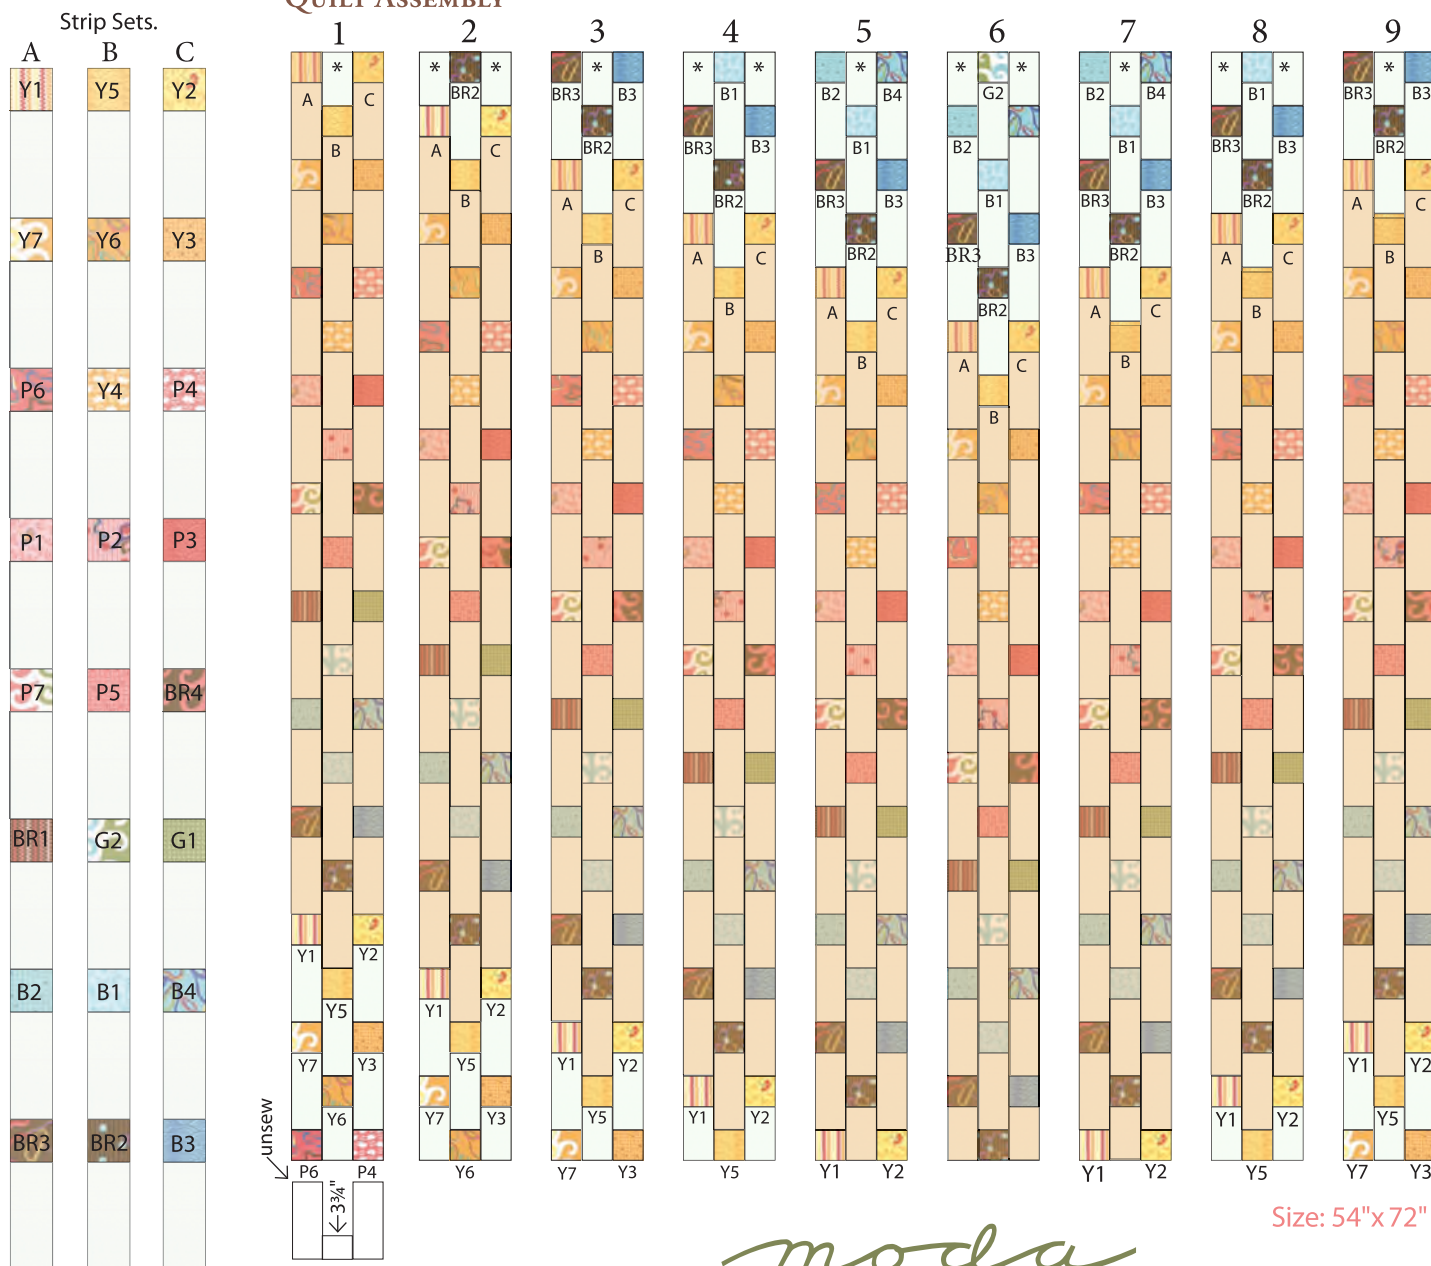

- 2** The quilt has 3 repeating strip sets.
Referring to the diagram make
9–Set A strip sets,
9–Set B strip sets,
9–Set C strip sets.
Keep the strip sets together.
*Hint: Label each strip either A, B or C
using a water soluble pen.*

- 3** The quilt top has 27 columns. The shaded areas on the diagram indicate the positions of the strip sets. The "*" indicates the 4"x 2½" Background rectangles. Assemble the quilt top in 9 sections then sew the sections together adding the additional units to the strip sets. "Unsew" the extra rectangles at the bottom of the columns or trim them to 3¾" in length as shown.

- 4** Join the 7 assorted Jelly Roll™ strips for the Binding. Layer, quilt and bind the quilt.
ENJOY!
